About Metis Creative Consulting

Metis Creative Consulting is dedicated to providing our clients with *Customer Conscious Solutions*. Our goal is to enable you and your business to increase revenue, reduce expenses, while maximizing efficiency, specifically time. Metis Creative's services capitalize on Web capabilities and go beyond through the utilization of our expert consultants and partners. Metis Creative is committed to understanding the unique needs of your business as well as we understand our own.

We are focused on supplying our clients with the core services that are required to compete in today's challenging markets. Our comprehensive services allow us to provide cost effective solutions to "in-house" expense.

Metis Creative's services include:

- **Consulting**
- **Web Design and Development**
- **Database Programming**
- **Advertising Campaigns – E-mail Marketing**
- **Search Engine Optimization (SEO)**
- **Government Contracting: Prime or Subcontracting**
- **Hosting and E-mail**
- **IT Liaison**

Metis Creative anticipates, understands, and has helped defined the growing needs of our clients. Metis Creative in-conjunction with our established partners and external resources are confident we will meet your expectations.

Metis Creative is a service disabled veteran owned small business and has the capacity to help you fulfill your government contracting quota.

Metis Creative's customers are our solution to a successful business. We look forward to being your solution as you prepare your business for this next step and experience the power of the Web. Allow us to be your concierge for the Web.

Sincerely,

Jonathan B. O'Donnell
